CS-20 30 MM SAFETY COVER INSTALLATION INSTRUCTIONS

The CS-20 30MM is intended to be used with a 30MM Selector switch or pushbutton. (ie Allen Bradley 800T)

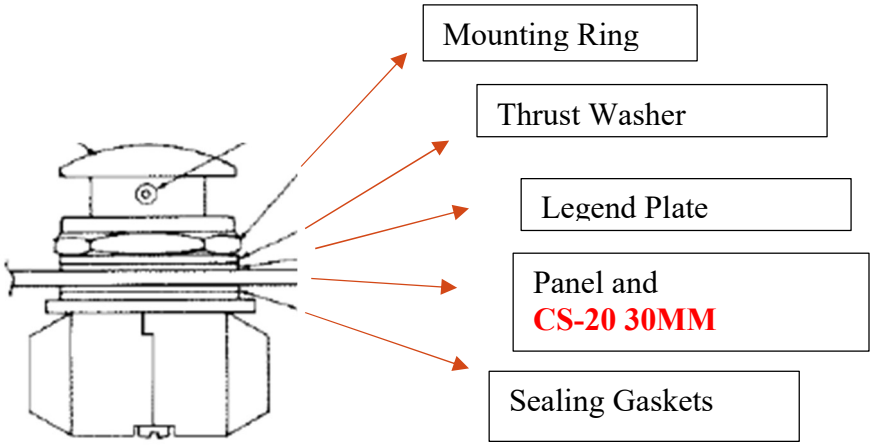

Note: Only qualified persons who are familiar with the control system should install the CS-20 30MM Control Switch Safety Cover.

The Base of the CS-20 30MM is intended to be mounted between the panel and the switch trim washer or Legend plate. The proper number of sealing gaskets may need to be adjust allowing for extra thickness of the CS-20 30MM base.

With the Switch Body and proper quantity of Sealing Gaskets installed thru the panel:

- Install the Safety Cover
- Install the Legend Plate or Trim Washer
- Install Thrust Washer and Mounting Ring
